ODS annually sponsors several award and achievement programs. They include the **Year-End Awards** for both recognized and schooling shows, The **GERA** (Gemstone of Excellence Rider Award), and the head-to-head **Schooling Show Championships**. Information and requirements for these programs are on the ODS website under the "Resources" page and will be published in upcoming newsletters. Several of the programs have "rider responsible" requirements (ie: the rider is required to send the USDF printout with their official scores to the Recognized Year-End Award secretary, Stacia Wert-Gray. Since the ODS award year differs from the USDF award year, this might require printing out 2008 scores earned before Sep. 30 and any scores earned after Oct. 1-the beginning of the USDF award year-in separate printouts.)

Dear Competitors, Trainers, Dressage Barns, Vendors, Advertisers, Volunteers, and Sponsors:

The 2008 Great American/USDF Region 9 Dressage Championships are rapidly approaching. Oklahoma Dressage Society is hosting them at the Lazy E Arena in Guthrie, Oklahoma, on October 17-19th for the benefit of Tulsa's Bit by Bit and Edmond's Coffee Creek's therapeutic riding programs. Special needs children and adults benefit from this unique form of therapy, as Anne Romney has for MS. Previous years, Houston has hosted a fabulous championship, and Tulsa wishes to continue in their footsteps. Recently, the Lazy E Arena held a dressage show which ODS made observations and analyzed the facility for the right use at the championships. Competitors were consulted for input so ODS could make this facility a perfect place for competitors to show horses at their best.

The October 17-19th show will be comprised of three shows: an open, the Great Plains Championships, and the 2008 Great American/USDF Region 9 Dressage Championships. Open classes will provide competitors with warm-up classes, but classes are open to non-championship riders. The Great Plains Championship is an easy qualifying opportunity. Two scores of 58% or higher from any tests of a particular level are needed to show. You may either send in your USDF printout or a copy of your tests with your entry to pursue the Great Plains Championship. Scores are from the calendar year. Money will be awarded in addition to lovely championship ribbons. Of course, then there is the Great American/USDF Region 9 Dressage Championships. Consult USDF literature for qualifications. These classes will have awards ceremonies throughout the mornings, afternoons, and early evenings. Besides the great honor, fabulous prizes will be awarded from the Great American Insurance Group and USDF.

ODS is continuing what Houston Dressage Society began. ODS will have a silent auction of which will benefit GMOs who send volunteers and provide one auction item. GMOs will receive a check based on the prorated share of their volunteer hours. Bee Pape is our volunteer coordinator and can be contacted either by phone (405-348-3738) or email (beebobpape@aol.com).

ODS believes in partying at the Championships. There will be a competitors' cookout on Thursday evening, a finely catered wine and cheese party on Friday night in the Lazy E Arena's Cantina, and a Country Western Band complete with a line-dance instructor for Saturday evening. Non-competitors will definitely enjoy the night life at the Championships. Certain levels of Sponsorships receive tickets to the above events.

An event of this magnitude requires help at many levels. We would like to thank South Pointe Chevrolet of Tulsa for being our Exclusive Platinum Sponsor. All levels of other sponsorships are available from our \$2000 Gold Level Sponsorship down to our Friends of Dressage Sponsorships for \$25. Vendor space is available for the entire show at the rate of \$200. Advertisement for is also available in our professionally designed color program. Donations from the silent auction will be needed, as well as additional volunteers. Remember, all donations are tax-deductible and benefit special needs children and adults through therapeutic riding programs. The included attachments contain our brochure on the Championships, Level of Sponsorships, and contracts.

Thank you in advance for your help in making this a terrific, fun, and safe Championships.

Sincerely,
Roberta Clark
Oklahoma Dressage Society's President

There will be a **USED TACK SALE** held at the Region 9 Championship Show in October. Start looking through your trunks and cabinets for any items no longer needed, fitted, etc. More information will be in the October newsletter. *Tentatively*, it will start Friday and end Sunday.

USEF Performance Standards Update-Latest News

The USEF Dressage Committee met on July 1-2, 2008 and discussed the USEF Dressage Performance Standards proposal. This discussion included a review of compiled results of the online survey which was developed to gather feedback from USEF and USDF members. These results were recently shared with the USDF Executive Board and show that a majority of the approximately 1250 respondents expressed support for the idea of having competition performance standards for the sport. In comments received as part of the survey, several important concerns regarding the proposal were expressed, such as program costs, access for riders in parts of the country offering few shows, and recognition of good riding on modest horses. As a result, the USEF Dressage Committee is exploring new ideas to address these concerns, and will discuss possible changes to the proposal in the coming months with the organizations which will be impacted, including USDF.

Based on the feedback from the survey, the USDF Executive Board believes that a majority of USDF members support, in principle, the concept of competition performance standards. The Executive Board is pleased that the USEF Dressage Committee is listening to and taking seriously USDF member feedback and continues to make improvements to its Dressage Performance Standards proposal that will better serve the sport. In a continuing effort to work together to find common ground, there will be a special session at the USDF Annual Convention in which the USEF Dressage Committee will discuss a revised version of its proposal with USDF members. This session will be held on Thursday, December 4 in Denver, CO.

Although this is a USEF proposal that will likely result in a USEF rule change, the USDF Executive Board believes that USDF is best equipped to provide the administration services that will be needed if the proposal is implemented. However, if USDF becomes the administrator, the USDF Executive Board does not intend to pass on the cost associated with program administration to its members, and intends to work out an arrangement with USEF to make that possible.

Oklahoma Dressage Society debut's the newly painted trailer with ODS logo at the Lazy E Dressage Classic I and II in Guthrie, Aug 2-3 of 2008.

SPOTLIGHT!

Pictures from the Lazy E Dressage Classic I and II are viewable on the ODS Spotlight Page. Pictures available through www.onetulsa.com Events.

What a beautiful day we had at Rocking C Stables for the Dressage Show August 16. The facilities were fantastic and we enjoyed the hospitality of Patty and Larry Couch.

We also had a fantastic Judge, Denise Laigle! We so appreciated the time you took to speak with the riders after their tests, and even more so, your patience when getting out of the trailer and walking our horses down centerline when they were afraid of the trailer. =)

THANKYOU DENISE!

GCC NEWS

September 2008

The weather finally cooperated last month and the Rocking C Stables' Schooling Show on August 16 was a huge success, with judge Denise Laigle judging 88 rides in beautiful weather with NO rain or mud with which to contend! Hooray!

Preparations are well underway for the upcoming Green Country Fall Classic which is coming right up on September 27 and 28. Held at the Claremore Expo in Claremore, OK, the GCFC is the Green Country Chapter's BIG project for the year which encompasses many many volunteer hours and lots of sweat equity in order to make it happen. We are always in need of extra help so if you are at all inclined, please contact Sherry Guess, who is in charge of volunteers, at guessdrsg@aol.com. She'd be happy to hear from you.

Junior GCC members are reminded that the deadlines for the Jaime Orban Award and the Progressive Multi-Club Award are fast approaching. Both awards' details are on the GCC website at greencountrydressage.org, under the Resources tab. We hope we will have several juniors who will be interested in trying out for the awards. After all, the prizes are nice and the notoriety is... priceless! :-)

We are trying to put together a grooming clinic with Laurie Hedlund for sometime in October in the Claremore area. The qualifying GCC horses need to be impeccably groomed for the Schooling Show Championships coming up in November! A clinic on grooming (braiding, clipping, etc. etc.) should be a great prequel to this big event! Please watch your upcoming emails and newsletter for more details.

That's it for now, readers. Thanks for taking the time to find out what is happening with the Green Country Chapter. I'll look forward to chatting with you again next month!

Liz Logan
GCC President

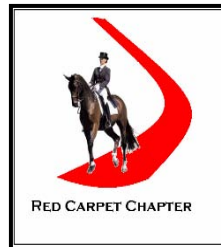

The Green Country Fall Classic is just around the corner. We are pleased to say that the City of Claremore has done a lot of work to refresh facility. This summer all of the stalls were completely removed so the floor could be leveled and repacked. As the stalls were reinstalled, some doors were replaced with new ones. The footing has been consistently watered and worked throughout the past year. Other work

includes plumbing and lighting as well as general clean up.

Unfortunately this show is too close to the Region 9 Championship show to be a qualifier for 2008, but it is a good chance to get one more practice in beforehand. This show is a 2008 qualifier for SWDC, and it counts for 2008 ODS, USDF year end awards as well as the Dover Medal. The closing date is September 12 and entries can be made through www.showsecretary.com. The GCC board has been busy making arrangements for another successful show. On Friday night, a Mazzio's buffet dinner will be offered and a wine and cheese awards ceremony will be held Saturday after the show.

We are looking for volunteers and sponsorships. Please see our sponsorship list in this newsletter. Sherry Guess will again be our "volunteer recruiter" and Susan Fraley-Mohler is taking reservations for sponsorships and ads.

The GCC Chapter looks forward to seeing all our ODS family as well as friends traveling from out of state. See you at the end of the month! (Anne Kuhns)

RCC Chapter News

RCC had a meeting on 8-12-08. Several items was discussed including hosting at least two schooling shows next year as well as some clinic potentials. Also discussed was hosting a recognized show for 2010. Next

meeting will be held Sept 6th at the clinic, time to be determined.

Another note : RCC is in need of 15" tires for the trailer. If anyone has a good set of tires they can donate it would be very helpful – Thanks

Darrell
